Specification of our services

Door to door courier/parcel service

We offer a comprehensive Courier Service solution anywhere. GCS is capable of providing door to door collection & delivery services. All our clients can track their parcel using unique tracking identification number and proof of delivery (P.O.D) is provided once the parcel is delivered to the addressee (recipient). So you can rely on us for your needs.

Same Day delivery Services

We are expert in same day delivery services. To facilitate such time bound services, we have agents at various locations throughout the city. Today, we are proud that we are capable of providing efficient and swift service at competitive price. The network that we are a part of provides us the capability to collect your parcel from anywhere in the city and deliver it to the destination of your choice in a very short span of time. We also provide pick up & delivery service for heavier parcels and bulky items including pallets & full trailer loads comparatively cheaper than the other established & leading courier companies. We are proud to have the infrastructure that can meet our client's requirements.

Overnight services

Since we value our customer's valuable time, we offer our customer time sensitive delivery service called "Overnight service". Our regional partners, each one, experienced in logistics and distribution, provide total coverage for the time sensitive delivery. This makes us different from other companies. We are independent and work with the best agents & this enables us to execute the time sensitive delivery more competently & efficiently.

COD- Cash on Delivery

The most in demand and hot service nowadays. Online shopping trends are growing and so are the needs for safe and secure deliveries of shopped items at the buyer's doorstep. The payment is collected only on delivery. The ONLINE STORE can pick and choose various features offered by GCS to formulate a service package plan which best suits its requirements.

Warehousing services

We have state of the art centralized & well equipped warehouses supported by small sortation warehouses. Each sortation warehouse is equipped to operate 24 hours seven days a week. Its strategic location, operational capacity and qualified staff (trained in every aspect of national/international logistics) is enabling us to minimize the unproductive hours & maximize the productive hours thereby increasing the pace of service. Services provided under warehousing are as follows:

Storage

Consolidation

Break down of pallets

Repacking

Labeling

Documentation

So you can be rest assured that your documents & parcels are always in safe hands with GCS.
